Health

With you for life

Bellarine Community Health provides specialist health services for all ages across five locations on the Bellarine. We are committed to providing quality, affordable health care.

Bellarine Community Health is proud to promote and advocate for the health needs of our diverse community.

Our service provides safe, inclusive and high quality care for everyone.

HEALTH SERVICE FEES

Fees for health and dental services are calculated based on your income and your ability to pay.

Fees will be explained prior to an appointment being made for you.

Difficulty or inability to pay will not prevent you from receiving treatment or service.

BCH is a registered NDIS provider.

Visit www.bch.org.au for detailed list of fees.

GIVE US FEEDBACK

Bellarine Community Health is wholly committed to improving our services through your experiences.

Please contact us at haveyoursay@bch.org.au or download a feedback form from our website.

PRIMARY HEALTH CARE SERVICES

Bellarine Community Health is a not for profit organisation and the major provider of community health services across the Bellarine.

Our caring staff work with you to achieve your health goals.

Anyone in the community can access the wide range of services we provide.

If you need assistance or support related to your health, contact us and we can link you to the services you need.

We provide services related to NDIS, TAC, DVA and GP Care Plans
