

BCH PRIVATE DENTAL CARE

At Bellarine Community Health we believe that everyone deserves quality dental care. We offer a low cost private dental service with no waiting period.

This service is available to everyone, whether you are a new patient or a current patient of the public clinic.

All aspects of general dental services are provided for:

- Dental emergencies
- Prevention & maintenance
- Restoration of broken teeth
- Replacement of missing teeth
- Removal of teeth including wisdom teeth

**Private dental services available on
Mondays, Tuesdays & Wednesdays
8.30am to 5.00pm
Ring (03) 5258 0828 for
appointments.**

Community & Private Dental Services

bch Bellarine
Community
Health
With you for life

Bellarine Community Health delivers a broad scope of health services and wellbeing programs for all people in our diverse communities.

People using our health services:

- Will receive confidential services specific to their needs from professionally trained staff
- Will not be exposed to any form of discrimination or made to feel uncomfortable
- Will see their diverse needs valued and respected

EMERGENCY TREATMENT

All emergency patients who present at the clinic are assessed and treated in order of priority.

If our dentist is unavailable, public dental emergency treatment can be sought at:

Royal Dental Hospital Melbourne
Ph: (03) 9341 1000

GIVE US FEEDBACK

Bellarine Community Health is wholly committed to improving our services through your experiences.

Please contact us at haveyoursay@bch.org.au, download a feedback form from our website or provide feedback when you visit us.

DENTAL HEALTH SERVICES

Bellarine Community Health Dental Services can provide general and emergency dental care for both **public** and **private** patients.

A professional team of Dentists, Oral Health Therapists and Dental Assistants are committed to providing the best dental care using the latest techniques.

PUBLIC DENTAL CARE

Eligible patients of all ages are able to access treatment through the public dental program.

- All children under 13 years of age
- Young people aged 13 - 17 years who hold or are dependants of a health care or pensioner concession card holder
- Adults aged 18 years and over who hold or are dependants of health care or pensioner concession card holders

CHILD DENTAL BENEFITS SCHEDULE (CDBS)

Children up to 17 years with no concession card may be entitled to receive up to \$1,000 of dental care every two years through **Medicare**.

PUBLIC DENTAL SERVICE FEES

CHILDREN UNDER THE AGE OF 13

NO FEE

YOUTH AGED 13 - 17 YEARS

With concession card

NO FEE

Without concession card

If eligible for CDBS there is NO FEE

ADULTS AGED 18 YEARS AND OVER

With concession card

Co-payment fees apply to adult dental services.

Fees will be explained when you make an appointment.

Difficulty or inability to pay for public dental services will not prevent you from receiving treatment.

Visit www.bch.org.au for a detailed list of fees

Due to demand, waiting lists exist for public non-emergency dental treatment

PRIVATE DENTAL SERVICE FEES

Private Dental Services are available to everyone.

Most major Health funds are supported and can be claimed at the time of your appointment.

Private Fees will apply- contact us for more information.

Department of Veteran Affairs (DVA) cardholders can attend and claim for dental services.
