

# PORTARLINGTON REDEVELOPMENT UPDATE

## REDEVELOPMENT COMPLETE & BUILDING OPEN

The redevelopment of the Community Health Centre at Portarlington is now complete and the building has been officially opened.

Political leaders, representatives of local community groups and associations and community members were in attendance to see Assistant Minister for Health and Aged Care, Ged Kearney MP, officially open the building in late March 2023.

BCH CEO Garry Ellis told guests at the official opening how pleasing it was to see the project finished and clients enjoying the wonderful new facilities.

The redevelopment has also allowed BCH to accommodate enhanced space for the Portarlington Ladies Auxiliary 'Op Shop' which also supports the local community. The redevelopment was funded through the Department of Health's Community Health and Hospitals Program, and a generous donation from the Portarlington Ladies Auxiliary.

For enquiries about the redevelopment project contact BCH Capital Works Manager
